## **Rules and Regulations for OKFS Tournaments:**

1. Tournament fishing must be within the specified times. Fish caught outside this time will be disqualified.
2. Fishing must be done from a single person kayak the entire duration of the tournament. This watercraft must launch and fish within specified boundaries each day. See maps.
3. All fishing must comply with provincial, local lake and Ministry of Natural Resources updated regulations. These can be found on their website [http://www.mnr.gov.on.ca/MNR\\_E001334.pdf](http://www.mnr.gov.on.ca/MNR_E001334.pdf)
4. All fish eligible for entry must be of Bass species. The limit per day is three of either species. The total length of each fish will be added together to give the final tournament standings. Total length is the measurement from the tip of the snout to the tip of the tail (with the tail collapsed) in order to get the longest possible length measurement.

5. At least one clear, detailed, color photo showing full length side view of fish must accompany each entry. The fish should fill as much of the frame of the photograph as possible. Your picture should include the approved and numbered measurement device alongside the fish to verify length. Both the fish and device should be the same distance from the camera. The photos must be clear enough to easily tell the length of the fish. Judges have the authority to make each call on a case to case basis.
6. All cameras/cards must be handed to judges **before the cut off time** each day to qualify the photos
7. As guests of the host facilities and surrounding areas we must act in a responsible manner both on and off the water. Failure to comply may result in disqualification and possible removal from campground or host site.
