

TOURNEY BRIEF: 2019 ONTARIO Multi-species Online

This season long multi-species event is for anglers who like to fish all year long but cannot or do not attend live tournaments but still enjoy a little friendly competition with some rewards.

A province-wide event of this magnitude will surely draw a wide array of anglers from across Ontario. All public lakes and rivers are eligible, private waters are not.

Many anglers excel at individual species, but who can amass the longest limit of Ontario sportfish?
